- *Street lighting along the bank with solar system*
- *Last but not the least, installation of canal-top solar unit*
- *Proper rehabilitation of the Occupiers at the canal side.*

WELFARE ACTIVITY

Our voice against pollution

Record in form of collage reproduced from Association files

For setting up of a nursery, Sonata Foundation got permissive possession on purely temporary basis from HIDCO in June 2010. Later on creation of permanent structure in the said plot of land keeping therein captive stray dogs, running of a piggery, keeping of cow and buffaloes quite unauthorisedly creating pollution in the neighbouring locality was noticed by HIDCO. Accordingly, in March 2012 HIDCO issued an order to Sonata Foundation to remove all encroachments on the land which had been permitted on purely temporary basis for utilizing the same for nursery purpose only. It was urged for hand over the same to NKDA for construction of BB Park within 15 days. However, the same was not vacated as of date. Association is fighting against this issue to mitigate the pollution and made correspondences with Hon'ble Chief Minister and NKDA Authorities. Some portion of pen fighting is ventilated below:

I am to forward herewith an application dt. 02.05.16 as received from the Secretary, New Town I B- Block Welfare Association alleging that one Mr. Pranay Dutta is running an unauthorised shelter for street dogs and cows at a plot of land in Block-BB of Action Area- IB which causes great inconvenience to the residents of the neighbouring area specially, during night and this situation is continuing for days.

On enquiry it is revealed that the concerned land belongs to W.B.H.I.D.C.O.
This is for your kind information and taking necessary action.

With the urgency of voicing the worry and anxiety of the residents, this is once again to submit you the problems cause to the residents by way of running of a shelter for street dogs and cows at the heart of dwelling units of BB block. While the animals in distress is also a concern for us for the sake of bio-diversity, we feel that maintenance of such shelter should never be adjacent to the buildings. In fact the chorus of barking of the dogs for the whole night would hardly allow the people in vicinity to have peaceful rest during night. How can such situation continue for days, months and years, sir ?

We understand that the establishment is being run by one Shri Pranay Dutta in the name of one supposed NGO called SONATA FOUNDATION by way of unauthorized occupation of about 1 acre of prime land which was not shown allotted in the Master Plan of Land Utilisation which had rather reserved the same for green verge.

The subject is once again submitted for your kind action towards justice not only to the concerned disturbed residents but also to ensure the very basics of an upcoming smart city.

NEW TOWN IB BLOCK WELFARE ASSOCIATION
(Registered under West Bengal Society Registration Act)
Registration No. S/IL70803
BB 106, NEW TOWN, KOLKATA-700156

To:
Smt. Mamata Banerjee,
Hon'ble Chief Minister,
Government of West Bengal,
Habannya, Howrah

Dated: 24th January 2014

Subject: Eviction of an unauthorized person encroaching on the land earmarked for Smart Park in Action Area-IB, New Town, Kolkata

Madam,

On behalf of resident of Action Area IB Block, New Town would like to bring to your notice the following facts:

- That the water bodies lying within Block-BB, Action Area-IB has been converted into a beautiful park (SMRITIBAN) probably one of the best ever Park in the history of New Town residential area, but the north-western corner of the park could not be developed and boundary wall could not be constructed due to encroachment made thereon by Shri Pranay Dutta of Sonata Foundation in unauthorized manner during the tenure of previous left-front Government. Due to the encroachment the beautiful Park is lying incomplete.
- Shri Pranay Dutta in the name of SONATA FOUNDATION an NGO has occupied almost one acre of prime land, which was earmarked for SMRITI BAN in Action Area-IB, in the name of running one N.G.O., while in practice, he has kept some street dogs by preparing a Dog kennel in temporary shed and these dogs are barking and causing nuisance to the residents of the locality throughout the night and spoiling the night sleep of nearby residents, specially women.

Light in second rotary is highly up...

10. Removal of Dogs/ cows from Sonata Foundation: Nothing has been done in this regard. You are requested to take early action.

11. Transport system for the Blocks: At present some TOTOs are plying in the

10. Removal of dogs/ cows from Sonata Foundation: Time and again it has been taken up with the authority to remove dogs/ cows from Sonata Foundation. But, nothing has been done. It is beyond our imagination that in a modern city like New Town how this can happen. You are requested to look into this matter personally.

11. Transport System for the Blocks: you are also requested to take
